

# SHCA Newsletter

## New Principal

We would like to celebrate our newly appointed principal, Mrs. Di Rico. She has taught at St Helens Catholic Academy for two years, teaching middle school literature and science. Mrs. Di Rico will take on the face of a new role, leading the school to academic achievement and closer to our Catholic values on September 3rd. She grew up in Queens, going to Catholic school her entire life.

## New Educators

Let's also welcome our new teachers here at SHCA. Ms. Anido will be joining the education team at St Helens this school year. Her passion for teaching assists her in spreading her love for reading and writing and helping her students grow. Mrs. Gualpa, an ardent teacher, will be joining us as well, as a science teacher. Mrs. Lynch will be with the first grade, with her years of experience with working with kids. Mrs. Kellen, a familiar face, will be serving as a temporary teacher, covering for Mrs. Orlando due to her maternity

## Sports Events

At St Helens Catholic Academy, sports help students make friends and have healthy competition. Volleyball tournament sign-ups are currently online. It will take place sometime in October, which could be found on the school calendar posted on the website. SHCA has many sports and activities for their students whom are interested.
